Purchasing Manager Request Form

To My Favorite Store's Purchasing Manager:

I, _____, (enter your name here) am interested in purchasing WHOLE SOME SWEETENERS FAIR TRADE CERTIFIED™ SUGARS, SYRUPS AND NECTARS at this store.

Wholesome Sweeteners products are unrefined, organic and natural--they are made with care for the planet and people.

Produced on small, FAIR TRADE CERTIFIED farmers cooperatives in Costa Rica, Malawi and Paraguay.

- Support of these Fair Trade products makes a real difference in the lives of these farmers: because the premiums are paid directly to the cooperatives, farmers can compete with factory farms, invest in the quality of their crops and practice sustainable agriculture, send their children to school, and build community resources, like clinics and schools.

The cane is grown and processed without pesticides, herbicides or other chemicals.

- The spent cane is recycled as fuel, generating electricity that turns the turbines that make the sugar (and reducing the need for fossil fuels).

Wholesome Sweeteners also offers *low glycemic organic sweeteners*

- ORGANIC BLUE AGAVE, ORGANIC RAW BLUE AGAVE nectars are top sellers in the Organic Sweeteners category!
- WHOLE SOME SWEETENERS ORGANIC ZERO, which is made just from cane sugar, but has zero calories, zero glycemic index and zero artificial ingredients.

We hope that you will consider this request and contact Wholesome Sweeteners' customer service team at 1.800.680.1896 or info@OrganicSugars.biz. They'll be happy to provide you with prices, samples and the names of their distributors.

We thank you!
